Communication

Date	13 November 2026
Team ID	0157CS241131
Project Name	AI Travel Itinerary Planner (Trip Genius AI)
Maximum Marks	1 Mark

As a solo project, communication was between the developer, the faculty mentor and the evaluators.

Communication Plan

S.No	Communication Type	Frequency	Channel / Tool	Participants	Purpose
1	Team Standup	Daily (self review)	Task list / notes	Parth Ranjan	Plan the day's work
2	Progress Update	Weekly	College mentor meeting / WhatsApp / email	Parth Ranjan, Mentor name	Share progress and feedback
3	Issue / Bug Discussion	As Needed	GitHub repo, documentation, Claude assistant	Parth Ranjan	Debug CORS, auth, DB-schema and deployment issues
4	Stakeholder Review	Bi-Weekly	Review meeting	Parth Ranjan, Mentor	Validate scope and features
5	Final Demo Rehearsal	Once	Live site	Parth Ranjan	Practice the demo

Communication Challenges & Resolutions

S.No	Challenge Faced	Resolution / Action Taken
1	CORS errors between Vercel frontend and Render backend	Configured CORS_ORIGINS and added tests (test_cors.py)
2	Database insert failed due to a mismatched column	Aligned the insert payload with the real schema
3	Backend root URL returned Not Found	Verified with /health and /docs instead
